## **INTERNATIONAL STUDENTS' CENTRE**

**Academic Year 2014-15**

### **I. Malegaon Yatra:**

A trip to Malegaon (Yatra) was organized for the international students on 23/12/2014. The university buses had been engaged for this tour. It was a nice opportunity for cultural interaction and the students got to know many things about the local customs and practices. The animal fair and the agricultural exhibition astounded the international students. They also appreciated different art forms at the fair and were enamored by the flawless communication through sign languages. The Arabic names of the students and their villages being translated into sign codes by one person at one end and the other interpreting the sign language and calling out their names from the other end was something amazing they experienced. The students were so engrossed that they didn't realize how the time fled.

### **II. International Students' Day:**

The International Students' Day was held on April 07, 2015 and it was presided over by the Hon'ble Vice-Chancellor Prof Pandit Vidyasagar. The chief guest was the FRO and the Superintendent of Police Shri Paramjeetsingh Dahiya. All the meritorious international students were felicitated at the hands of the Superintendent of Police. Shri Dahiya guided the students with regards their stay over here and also gave his personal contact number to the students asking them not to hesitate to contact him in case of urgency.
