It is also one of the official languages of UNO, European Union and many other International Organizations. The SRTM University has been a part of the Erasmus Mundus scholarship programme, wherein Universidade de Santiago de Compostela, Spain has been one of the partner universities. Thus, those having knowledge of Spanish got a huge advantage in getting scholarships under this Programme where Spanish has been a language of instruction, communication and even eligibility. Thus, this language can turn out to be an invaluable asset in shaping bright career of the students. Given the growing relations between India and the countries of Latin America and South America, knowledge of Spanish is essential to have a direct contact with the people of these regions.
