**16. Multidisciplinary / interdisciplinary**

All P.G. programs of campus and sub campus have multidisciplinary approach and have made use of the CBCS to promote exchange of credits between schools, departments as well as earning credits from online platforms such as NPTEL/SWAYAM. Students can opt for subjects of their interest and gain skills/knowledge that are not part of their discipline and which provide lifelong skills and soft skills such as communication skills, foreign languages and various IT skills. Interdisciplinary approach is integrated into PG Programs

with Open electives and additional courses such as PG Diploma in Women's Studies and PGDMLT.

#### **17.Academic bank of credits (ABC):**

The university has almost completed the process of student registration for ABC. From 2023-24, ABC ID for students will be mandatory.

#### **18.Skill development:**

Skill development courses are integrated into P.G. programs as core, elective and open elective courses. They are an integral part of the curricula of the university. There are also are skill based certificate and diploma courses such as foreign language courses, PG Diploma in Medical Laboratory Technics, PG Diploma in Geo-Resources Exploration and Mining Skills.

#### **19.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Courses based on local, regional and national concerns and knowledge are incorporated in the university curricula as elective/open elective courses. Students of some programs from Humanities have the option of writing examinations in English/Marathi. Material in Marathi is provided as needed, for example in the PG Diploma in Women's Studies. Indian Literatures in Translation, Theatre of Marathwada are some of the elective courses offered in the PG programs. Foreign language courses use local languages as mediator language along with English.

#### **20.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Program/Course Outcomes are defined for every programme and course, keeping in mind the local and professional needs of the student and industry. Continuous assessment through tests, assignments, seminars, projects as well as external assessment at end of the semester is designed to directly assess the attainment of course/program outcomes. Feedback, mentoring and in class observation is used to indirectly assess the attainment of course/program outcomes. Industrial training is also one of the methods of assessing outcomes through performance of the students.

#### **21.Distance education/online education:**

The university has PG programs in distance mode in science and technology, humanities, commerce and management and interdisciplinary studies. The university has developed E content for UG/PG programs as well as MOOCs.

**2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year**

**Procedure for attainment of COs:** Course outcomes will be attained through direct and indirect methods. Direct Attainment will be based on: Two internal tests or one internal test and one presentation/mini-project/field visit will be conducted based on COs Class performance activities consisting of assignments/tutorials/experiments/quiz/any other activity related to COs will be conducted External exam marks will be considered. Indirect Attainment will be based on the feedback of students, parents, alumni and parents through framed questionnaires.

**Procedure for attainment of POs/PSOs:** Program outcomes will be attained through direct and indirect methods. Direct Attainment: We will consider all the courses which are mapped to a particular PO. Then the direct attainment value will be calculated based on the following formula: Direct PO Attainment = Sum of the average attainment level of the course outcomes mapped to a PO/ Total number of courses Indirect Attainment: In this method, we consider the feedback of students, alumni and parents on the framed questionnaires. Final PO attainment= 80% of Direct attainment + 20% Indirect attainment.

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an eco-system for innovations including Incubation centre and other initiatives for creation and transfer of knowledge

University has established Centre for Agro-Bio Innovation and Incubation (CABII) in collaboration with Maharashtra State Innovation Society (MSInS) under the Companies Act, 2013 (18 of 2013). Main objective of CABII was to facilitate innovation, development and commercialization of the biotech based products by providing infrastructural, scientific, technical and marketing support for startups from this university jurisdiction. It also regulates surplus and/or other income and property of the university for promoting its objectives. CABII at SRTM University is fully functional and aims to nucleate startup ecosystem in the Marathwada and Maharashtra region in the areas of Biotechnology, Pharmaceutical/Medical biotechnology, Agriculture biotechnology, Environmental Biotechnology and Chemical/Industrial biotechnology. The university has a Board of Innovation, Incubation and Linkages (BIIL) with a full-fledged Directorate office and support staff. The BIIL, through its Intellectual Property Rights Cell, works as a catalyst for creating awareness regarding intellectual property through workshops, seminars and expert lectures. This cell encourages and supports the stakeholders to register their research outputs for protection of intellectual property through patents, copyrights, trademarks and other forms. There is also a well developed Herbo-medicinal Centre, Animal House and Growth Facility with green house/growth chamber. Scientific support with wet labs, equipments and mentorship is also provided.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals

IQAC has played an important role in proposing transfer of credit system in various schools across the campus. It proposed increasing the number of open elective courses at various schools in order to allow students to gain credits from other disciplines for their Masters' programme. IQAC strongly recommended introduction of online Value Added Courses under CBCS in P.G. curricula through courses offered by NPTEL, SWAYAM, MOOC, etc. and took initiatives to encourage students from campus schools to opt for online courses. The IQAC also organises periodic internal academic audit for campus and sub campus schools.

IQAC is engaged in generating awareness and disseminating information about National Education Policy 2020 through workshops in online/offline mode to ensure that the university transitions smoothly to the new policy.

**7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words)**

**The motto of the university is "Sa Vidya Ya Vimuktaye" meaning**

"That is Knowledge which Liberates". This core value of the university encourages respect and tolerance of diversity amongst all its stakeholders. The university is located at Nanded which is a hub of religious and linguistic diversity. It shares its boundary with the neighbouring states of Telangana and Karnataka. University extends its educational facilities in an effective manner through its main campus, university sub-campuses at Latur and Parbhani, the constituted Model Degree College at Hingoli (district with low GER in the country) and also Late Uttamrao Rathod Tribal Research Centre at Kinwat (remote taluka place with major tribal population). Inclusivity is deeply embedded in the functioning of the university. Kannada, Pali and Sanskrit, French and Spanish are also offered for study. The PG courses address issues concerning diversity enhancement. Generally most of the examinations at degree level are conducted in Marathi and English to help vernacular students overcome language impediments. Dr. Babasaheb Ambedkar Chair, Shri Guru Gobindsinghji Adhyasan Sankul and Research Centre and the International Students Centre promote various cultural discourses. Celebration of Jayantis and various festivals promotes tolerance, harmony and cultural awareness amongst students. University also imparts education through distance mode.

## 7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

**Water Conservation Initiative Objectives:** To prevent the degradation of natural ecosystem on campus. To enhance the watertable in the peripheral area of our University. As there is climate change, the water table in the University area is depleting and through constructing the water pots,pits, stretches, ponds, percolation tanks and medium reservoirs, it will help in increase in water table. The water reserved in water reservoirs be used for tree plantation and it would help us to make our University, "Green University and Clean University". There is need of water resources to be conserved and it may help in 'Biodiversity Development'. Achievements More than 10 crore litre rain water storage Controlled or more than 25% surface rainwater runoff Improved groundwater level Successful improvement in infiltration Controlled Soil Loss, will be nil in next two years Improved soil moisture Improving permanent biomass on Barren areas Tanker Free Campus Providing clean / contamination free water to hostels, laboratories, residential units, sport department and administrative building Watering to more than 30000 new plants Developed 2 hector beautification Garden Developed Orchid (Mango Plantation)

## 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

"Reach at those, so far, unreached"- University strives to the spirit of service with advanced knowledge and smart and acknowledged skills to reach those, so far, unreached for social growth. University is established in economically and socially backward Marathwada region and offers quality curriculum and diversified learning. The University conducts various programmes for inculcating scientific temperament and disseminating scientific ideas in the community through talks, observatory sessions (for seismology and astrophysics). French and Spanish courses are also offered by the university to the local population. This university

has active distance education/learning programs. University supports the students of this university through schemes like SWAS and earn and learn. University has established Uttamrao Rathod Tribal Development Research Center at Kinwat Taluka. The university also has an astronomical observatory (telescope) in the School of Physical Sciences which is of use to students and researchers of this region. A Laser Interferometry based gravitational wave observatory (LIGOIndia) is under development by Government of India at Aundha (within the University jurisdiction) with the active involvement of the University.

#### 7.3.2 - Plan of action for the next academic year

In 2023-24, the following goals are identified: 1. UG Syllabus designing for implementation from 2024-25 in accordance with NEP 2020 and State government instructions. 2. Complete online data management of the university 3. NEP- 2020 and NAAC awareness programs for affiliated colleges. 4. At least two International conference to be organised by the university. 5. At least two MoU with other institutions.
