

SWAMI RAMANAND TEERTH MARATHWADA UNIVERSITY

Nanded-431606, Maharashtra State, India

Established on 17th September 1994, Recognized By the UGC U/s 2(f) and 12(B)
NAAC Re-accredited 'B++' grade with CGPA 2.96

Central Instrumentation Center for Multidisciplinary Research and Innovation (CICMRI)

PM-USHA Sponsored

Three Days Workshop During 31st July to 2nd August 2025

“Hands on training program on spectrometric Techniques – AAS & Refractometry”

Under the Hands-on training program on spectrometric Techniques, professional and technical sessions on **Atomic Absorption Spectroscopy (AAS)** and **Refractometry** were planned at the Central Instrumentation Center for Multidisciplinary Research and Innovation (CICMRI) from 31st July to 2nd August 2025, with financial assistance from PM-USHA. This workshop intended for the researchers not only in understanding the working principles, operational instructions but also the hands-on training. The scheduled workshop is as follows:

1st day: 31st July 2025

- Basic information and working principle of AAS
- Instrument operation and safety
- Flame ignition and software training for AAS

2nd day: 1st August 2025

- Hands-on training to users on AAS
- Standard calibration and sample testing
- User's questions

3rd day: 2nd August 2025

- Basic information on Refractometry
- Instrument operation and safety
- Hands-on training on Refractometer
