National Level Workshop on

Disaster Risk Resilience among Youths

"Empowered Youth, Resilient Communities : A Safer Tomorrow"

Organized by

School of Management Sciences,
SRTMUN, Sub-Campus, Latur

In collaboration with

NSS Department,
Swami Ramanand Teerth Marathwada
University, Nanded

Theme of the Workshop

Theme : "Empowered Youth, Resilient Communities: A Safer Tomorrow"

This workshop focus on empowerment of youth by encouraging them to take charge of their lives. They do this by addressing their situation and then take action in order to improve their access to resources and transform their consciousness through their beliefs, values and attitudes. It aims to build-up the confidence, to adapt the new personal skills and encourage the self-reliance among youth and young people.

Objectives of the Workshop:

1. To equip the students with essential disaster management techniques to mitigate risks and respond effectively.

2. To educate the students on identifying and managing hazards in domestic and workplace settings.

3. To empower the students with lifesaving First Aid Skills to respond confidently in emergencies.

Scope and Outcome:

This two-day national workshop on disaster management is designed to provide a comprehensive understanding of both theoretical and practical aspects of disaster management.

Renowned researchers, academicians, and field experts will lead engaging the lectures and interactive mock-drill sessions to equip participants with the knowledge and skills necessary to effectively manage the disasters.

Learning Outcomes

- Identifying the potential hazards and risks in daily life.

- Providing the basic First Aid care in emergency situations
- Trained students will act as "Apada Mira" (Disaster Management Helper)
- The workshop will equip participants with critical life-savings skills, empowering them to respond confidently in emergency situations.

Training Highlights:

- Comprehensive disaster management strategies
- Hazard identification and risk assessment
- Emergency preparedness and response planning
- Basic life Support and First Aid techniques
- Practical simulations and hands-on training

S. R. T. M. University, Nanded

The University has been named after Swami Ramanand Teerth the Doyen of the Hyderabad liberation struggle and also a renowned educationalist and social activist. The University is catering to southern part of Maharashtra Region of Maharashtra State and has been reaccredited with 'B++' grade by NAAC.

Sub-Campus, Latur

Sub-Campus, Latur of SRTMU was initiated in the academic year 2007-08 by the management of the University to encourage, support and nourish the students of Latur region in specialized courses after Graduation. Apart from conducting specialized courses of higher learning, The Sub-Campus has also become the nodal agency for the affiliated Colleges/Institutions/ Research Centers of Latur district in the context of University's administrative and examination related activities.

About PGDDM

The Latur region is prone to a number of natural and manmade disasters. This region experienced a devastating earthquake in 1993 killing thousands of people and loss of crores of rupees. Apart from this the city is hot spot for lightning activities. This region is also prone to the other disasters like flood, accidents, epidemics, pollution, deforestation, fire etc. By understanding hazard and vulnerability profile of this region, the University decided to start MBA-Disaster Management (two years) and Post Graduate Diploma in Disaster Management (one year) courses for regional disaster risk reduction through capacity building. PGDDM course started in 2012 under the innovative scheme of University Grant Commission with interdisciplinary approach. The department addressed various disasters through research and extension activities.
